

Vermont Comprehensive Consent Form for Career and Technical Student Organizations

PURPOSE: This form, complete with all information and signatures required, must be submitted by each student prior to attending any area, state, national or international conference requiring **overnight** housing. It is recommended that this form be on file in each local school by September 30 and that it be maintained on file. Additionally, the instructor/chapter advisor is asked to bring this form to each state and national conference, or international trip. Completion and signing of this document indicates that the student, parent or guardian, and school administrator have read this form and approve of its contents. Each advisor is still responsible for filling out the proper paperwork for their district when attending any area, state, national conference, or international trip. Completion and signing of this document provides consent for:

1. Emergency medical treatment of student;
2. Digital recording for purposes noted;
3. Dress code adherence by student;
4. Conduct code adherence by student;
5. Attendance at and travel to and from conferences/activities;
6. Waiver of liability.

PHILOSOPHY: It is a privilege and an honor for a student to attend area, state, national conferences and international educational experiences. As such, each student has the unique opportunity to represent his/her school, community, and family as a business professional. Students are expected to follow all Rules and Regulations stated herein. In cases of uncertainty, the student should confer with his/her advisor or chaperone **prior** to acting, since ignorance of Rules and Regulations will not be considered an acceptable excuse. Teachers, chaperones, and state staff assume the responsibility of enforcing all Rules and Regulations to ensure, to the degree possible, that students are not exposed to unreasonable risk from which it is foreseeable that injury is likely to occur.

DIGITAL RECORDING: We, as indicated below, authorize photographs or videos to be made of my son or daughter during this meeting/conference/educational experience with the understanding that these will be for CTSO, school, or community use. Vermont CTSO has no control over photographs or videos taken by other organizations or individuals.

SPECIAL NEEDS ACCOMMODATIONS: If any student has a special need that will require accommodation, the member is requested to inform his or her teacher/advisor of such needs so accommodations can be made. If a student has allergies please indicate what symptomatic reactions could be expected if the student comes in contact with the allergen.

DRESS CODE: Your CTSO is, first and foremost, a professional organization for students enrolled in Career and Technical Education. Just as in a business where company policies related to dress and grooming are maintained, CTSOs have developed their own policies. Essentially, proper dress and grooming for any occasion is a matter of exercising good judgment; thus, should a question arise concerning the Dress Code, contact your chapter advisor, teacher, or chaperone. The CTSO dress codes will be enforced. The first failure to comply with dress code will be considered a Level II Violation (See Level II Violation).

CONDUCT CODE: Participation in Vermont CTSO activities provides an opportunity for students to interact with business professionals, adult supporters, other members, and the general public. As a result of establishing a positive, ethical and professional image, many businesses, civic organizations and individuals provide financial and human resources to CTSOs. Once again, should you have a question concerning what constitutes acceptable behavior, ask your advisor or chaperone prior to making a decision. The following Conduct Code has been established and is enforced at all area, state, national conferences and international educational experiences or activities.

CONDUCT CODE

LEVEL ONE VIOLATIONS: The following have been identified as **extremely serious** violations:

1. Violation of any city, state, federal, or international laws. For international visits this includes violation of any law of the country in which the student is visiting;

2. Possession, consumption, transportation, or purchase of any alcoholic beverage or illegal drug shall be **subjected to the penalties** described below. If alcoholic beverages and/or illegal drugs or evidence of their use are found in a hotel room, all occupants of that room could be subjected to the penalties described below;

4. Failure to attend conference activities, including competitive events, general sessions, and special meetings;
5. Presence in an unassigned hotel room without supervision or consent of a chapter advisor or chaperone.
6. Missing curfew by more than 30 minutes. Curfew means being in your assigned room with the door closed and noise kept at a minimum. If the event requires a hotel stay and you are **not** staying in the hotel, the term curfew would mean that you have left the hotel grounds by the stated time;
7. Throwing any object from a hotel window or vehicle;
8. Smoking or using tobacco;
9. Rudeness or insubordination;

7. Other violations identified during the conference by the advisor, chaperone, state staff, or school official.

LEVEL TWO PENALTIES: (shall be subject to)

1. Verbal warning and immediate compliance with conference rules;
